Five Leaders Named 2022 AADOCR Fellows

Alexandria, VA – The American Association for Dental, Oral and Craniofacial Research (AADOCR) announced the 2022 AADOCR Fellows during the Opening Ceremonies of the hybrid 51st Annual Meeting of the AADOCR, held in conjunction with the 46th Annual Meeting of the Canadian Association for Dental Research (CADR), on March 23, 2022.

The AADOCR Fellows Program recognizes leaders of AADOCR and individuals who have served the organization in various ways throughout their careers. Through this program, AADOCR strengthens its mission to drive dental, oral and craniofacial research to advance health and well-being.

The 2022 Fellows include:

- Judith Albino, University of Colorado, Aurora
- Brenda Heaton, Boston University, MA
- Alireza Moshaverinia, University of California, Los Angeles
- Yong Wang, University of Missouri, Kansas City
- Christine Wu, University of Illinois, Chicago

About AADOCR

The American Association for Dental, Oral, and Craniofacial Research (AADOCR) is a nonprofit organization with over 3,000 members in the United States with a mission to drive dental, oral, and craniofacial research to advance health and well-being. AADOCR is the largest division of the International Association for Dental Research which has over 10,000 members. Learn more at www.aadocr.org.
