## IADR Has an Expanded Name!

As part of the 2023 IADR/LAR General Session & Exhibition with WCPD Opening Ceremonies, IADR President Brian O’Connell announced the official expansion of the IADR name to the **International Association for Dental, Oral, and Craniofacial Research** and unveiled the new IADR logo:

While the “IADR” brand will be retained, as this is known throughout the world as the global name in dental research, “oral” and “craniofacial” are added to the full description to better encompass IADR’s members’ breadth of science.

See the evolution in the video below!

This change presents IADR as an inclusive community for all scientists committed to driving dental, oral, and craniofacial research for health and well-being worldwide. The three shades of blue represent dental, oral, and craniofacial research – the domains upon which our organization is based – and the simplified design achieves a more modern feel as IADR moves into its next century.

## 2023 Awards, Grants, and Fellowships

One of the key highlights of the 2023 IADR/LAR General Session & Exhibition with WCPD is the Awards Ceremony. IADR has a vast portfolio of awards, grants, fellowships, and competitions that provides resources and recognition to extraordinary dental, oral, and craniofacial health scientists at all career stages around the world. We would like to thank everyone who participated in this year's competitions, and congratulations to all the 2023 winners!

## Call for Nominations

### **IADR Vice-president (2025-26)**

IADR is seeking nominees for the position of IADR Vice-president (2025-2026). Any IADR member may nominate individuals for IADR Vice President. Nominees must have had prior service to IADR as a Division, Section, or Group Officer, or as a Councilor, or as a Committee Chair or Committee Member. Names of potential candidates must be received by **August 1, 2023**. For more information, visit: <https://www.iadr.org/IADR-Nominations>.

### **IADR Committees**

Committees are vital to successful governance of the IADR, and each year the Association seeks a wide variety of volunteers, representing as many geographic areas and scientific disciplines as possible, to fill committee vacancies. Information on available committee vacancies for the upcoming year, descriptions of committee duties, and instructions on how to submit your candidacy for a committee appointment can be found

at: <https://www.iadr.org/IADR-Committees>. The deadline to submit for committee appointments is **August 1, 2023**.

If you have any questions on the committee appointment process, please contact Riana Hays at [rhays@iadr.org](mailto:rhays@iadr.org)

## IADR Governance

## Continuing Education

The International Association for Dental, Oral, and Craniofacial Research is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](https://www.ada.org/CERP).

Continuing Education Credits and Attendance Certificates are available for one year (12 months) after the completion of the meeting. The maximum number of continuing education credits available for in-person attendance at the 2023 IADR/LAR General Session & Exhibition with WCPD is **36.5 hours**. One hour of program time is equivalent to one credit hour.

Attendees will also be able to view the recordings on demand to claim CE Credit, though the number of hours available may vary. IADR will make an announcement when recordings are available for viewing. Any CE credit claimed will appear along with the certificate of attendance. Delegates will be responsible for completing the forms accurately and keeping their forms for auditing purposes. The deadline to claim continuing education for On Demand sessions is **October 30, 2023**.

For questions regarding ADA CERP, please contact the Director, Membership and Publications, Kourtney Skinner, at [meetings@iadr.org](mailto:meetings@iadr.org).
